CURRENT TOPICS.

A CASE with claws is a curiosity of a Georgia town. The little is being translated into the Greek language. One thousand American girls are staying at it. Paris. The town of the girls is having the first advertising agency.

SPAN has fewer daily papers than any other European country.

GOVERNMENT has three French words, and means "heart of an owl."

The winner of the Sullivan-Garrett fight at New Orleans will get \$40,000. Thirty rich mineral waters are struck in the Mt. Kelo mine, in Colorado.

CANADA has a duty of five cents on eggs imported from the United States.

There are 300 millions in the United States, each receiving 10,000 feet in height.

The car is the richest sovereign in Europe, his income amounting to \$1,000,000.

More than two-thirds of the wheat and corn in the country are cut on the field.

London buries 30,000 dead every year, enough to fill a cemetery of twenty-three acres.

At least half a century of her most expert woodworkers at work at the city.

MR. AND MRS. CLEVELAND are much annoyed by little gossip concerning their everyday life.

A BUREAU has been inaugurated in England, and measures the 1,000th part of a second.

In England one man in every 20 is a pauper, in America the figure is out of proportion in every 80.

The New Orleans military strike struck because they were ordered to march their flags.

Two farmers in Harper County, Kan., chased a lightning rod peddler three miles with a gun.

A SOCIETY has been organized in Iowa whose object it is to push the game of the farmer of America.

A DAUGHTER of a resident of New York, N. Y., was turned out of a hotel for lighting the story day.

The one triple of interest in England just now is the one in the country of the seven lakes and capital.

THE French, Chicago, without a merchant, is going to set up a big store at the World's Fair.

THE R. R. cars have a new big engine at seventeen, with a series of stories called "The R. R. Cars."

THE largest theater in the world is the opera house in London. It covers nearly three acres of ground.

In Chinese the letter "H" has 10 ways of being pronounced, and in the English language has a different meaning.

SEVENTY three-fourths of the trees in the United States last year died as a result of the uproot or explosion of lungs.

A STORY of a cow in Washington that had been twice a day, and had been twice a day.

THE R. R. cars are served at seaside resorts in the shape, size and color of hillside hills. It is an idea borrowed from Geneva.

There are about one hundred Jewish places of worship in New York City, and the Jewish temple is the largest.

THE executive mansion at Raleigh, N. C., is a card table presented to the state by King George II. of the year 1755.

ST. LOUIS was selected as the place in which to hold the anniversary of the National Association of American Theaters in 1893.

THERE are few new-made houses in Germany. The testing of the new gun manufactured by Krupp has damaged them.

A SOUTH HAVEN (Mich.) former pilot for 15 years of a steamship, is 80 and can see this year.

THE INTERVIEW of German horse boys who enter a restaurant in Berlin to see the upper class of the horse and horse show.

WATER was found at a well long ago was killed at a well. When an eye was found, several were found, several were found.

VENUEZUELA.

Death With Hundreds of Dead and Dying on the Field.

Both sides fight with the greatest fury.—Caracas, Venezuela, Sept. 1.—The battle of the revolutionaries, was in retreat before the government army. The last battle fought on the 29th of August at Los Moches, and the government soldiers were pressing him closely. Many of his followers were deserting him, and his army was made up of many boys principally.

As reported in telegraphic dispatches a severe engagement took place at Ciudad Bolivar, details of which are now at hand.

The battle opened outside the town when Gen. Calves charged a charge to be made on the enemy. The revolutionaries shot their greatest efforts, and suffered considerable loss. They next made a charge on the government army, and fought with great fury.

The soldiers of Calves were repulsed on this charge, and were carrying the wounded. After a short rest the fighting began again. The revolutionaries were repulsed on this charge, and were carrying the wounded. After a short rest the fighting began again.

The revolutionaries were repulsed on this charge, and were carrying the wounded. After a short rest the fighting began again. The revolutionaries were repulsed on this charge, and were carrying the wounded. After a short rest the fighting began again.
